## INTRODUCTION

### **MOTHERBOARD VS. ACTUAL CITY**

The Similarities Of Cities And Circuits Boards Are Invertable . Some Of Us In Early Age , We Grew Up

Playing With Circuits Saying They Are Cities  
Because Of The Design Similar To That Of A City .

And Once You See The Similarities , Definately You  
Can't Unsee It . In Many Images , You Won't Even  
Know You Are Looking At A City Or A Circuit Board .  
An Easily Circuit Board Can Be A Blueprint Of A City  
& You Won't Even Know It .

Left Picture , A City ... Right Picture , A Circuit .

The Whole Concept Of The Term " GRID " Comes From This . In The Hood We Might Say " Off-Grid " , IT Spaces " Computer Grid " ...

If We Look At Nikola Tesla , On How He Was Able To Provide Electricity To Humanity Using The Electric Tower That Work Wireless . ( the father of electricity stole NIKOLA TESLA's ideas & capitalised them ) . The Real Question Is How He Was Able To Do This ?

Let's Break This Down In Simple Terms . Our Basic Reality Is Powered By The EMF . That Means There's Readily Available Omnipresent Electricity , Basically Just Saying We Have Undisclosed Available Electricity That We Shouldn't Be Paying To Use . Meaning We Can Access This Power/Electricity At Any Given Time .

We Cannot See Or Feel This Electricity Without Physical Way To Bring It Into Our Reality , To Bring Into This Frequency That We Experience As Humans , To Bring It Into This Simulation And To Simulate Something Means - To Make A Simulation/Something Such As A **PHYSICAL SYSTEM** - To Imitate Something .

So A Way To Bring In That Electricity In Our Simulation Or Our Physical System Is Through An Antenna . An Antenna Is A Device For Sending And Receiving Electromagnetic Waves .

-> A Typical Antenna Has A Form Of A Wire With Both Ends Cut Off .

Usually Electric Field Formed The Capacitor Doesn't Leak Out To The Outside , The Antenna Is A Device Used To Leak Electric Field To The Outside . The Electric Field Leaking To The Outside Is Called **A RADIOWAVE/ ELECTRO MAGNETIC WAVE** .

And It's Spreads To Space At The Speed Of Light ,  
AT A SPEED OF PHOTONS\* .

Electromagnetic Radiation Refers To  
Electromagnetic Field Waves Radiating Through  
Space-Time Carrying Electromagnetic Radiant Energy  
- And That Includes Radiowave , Microwaves , Red  
Visible Light , Ultraviolet , X-Ray & Gamma Rays .

**( The Speed Of Light Equals The Wavelength X  
Frequency )**

And Each Electromagnetic Wave I Mentioned Above  
Has It's Own Representative Wavelength , Frequency  
And Photon Energy . \* **BASIC SCIENCE 101 \***

So EMFs Radiating Through Space-Time , What  
Does that Mean ? SPACE Means A Period Of Time  
And TIME Means A Non-Spatial Continuum That Is

Measured In Terms Of Events Which Succeed One Another From Through Present To Future .

I Did Say Time Doesn't Exist And Science Just Emphasised It . A Loophole Of Time Being Measured In Terms Of Events Which Succeed One Another ! How Typical !

- Science Has Built A Fundation To Try Cover And Explain Where They Get Most Of The World's Electricity But In Small Detail , There Explainations To Educate Us With Are Fundamentally Not Correct . Humans Are Electrical Beings - Our Body Creates It's Electricity Is Function Meaning Even Nature Too Creates It's Own Electricity To function . We Are One With Nature . Don't Look Far .

In Our Ancient Way Of Living , Black & Latino People Had Energy Towers And Energy Buildings - Today Those Buildings Are Being Disclosed As Histrorical

Places Or Locations Protected By The Government .  
The Idea Of A City Comes From Us , Who Built The  
Energy Buildings - Now You Find Cities On Top Of  
Cities , They Burned Down Our Own Cities Just To  
Build Their Own - Crazy They Didn't Even Changed  
The Design . Cut & Paste !

## CATHODE-RAL

A Cathode Is A Type Of Electrode Through Which Electrons Move . Electrodes Are An Electrical Conductor ( Usually A Metal ) That Is Connected To Something That Is Not A Metal , The Cathode Type Of Electrode Delivers Electrons ( Negative Charge ) And The Anode Collects Electrons ( Has A Positive Charge ) .

**\* THE PICTURE ABOVE , CATHODERAL LOOKS LIKE THAT - CATHOLIC / CATHODRAL / CATHODERAL - SAME WORD ROOT \***

The Type Of Buildings Our Ancestors Built As Energy Buildings/Energy Centers Are Everywhere . It's Not A Coincidence That All Over The World We See If Not The Same Style Of Buildings Nor Similar . It's By Design . There's Energy And Power In These Places .

Same Style Of Building , All Over The World . South Africans We Have Seen This Type In Every Major

City . It's Not By Fault , It's By Design . This Is The Moment You Realise That , You Are Just A Piece Of Data Carrying Information As You Move Through A Circuit System That Has Been Designed To Syphon Your Spiritual Energy . " The World Of 1s And 0s " , You See Why Your Identical Number Makes Sense In This World .

Now , WHY BUILD THE SAME LOOKING BUILDING ALL OVER THE WORLD BUT IN CERTAIN PLACES OR POINTS AND SOME IN A CERTAIN DESIGN ?

As I've Said , As People We Produce Our Electricity . Us And The Planet - We Are 1 Thing . The Planet Also Produces It's Own Electricity . I Believe We Are Paying For Electricity That Is Free And It Comes From Us . Nikola Tesla Showed You That Electricity Is Free , No Coal Burning ... Free ! Because It Comes From Within The Planet . This Is The Same Reason

We Can't Raise Up Against The System Because It Takes Energy To Do That And That Energy Is Wasted When We Participate In This Created Physical Simulation Called " The Matrix " .

To Disconnect Us From Our Main Resource As People Of Earth , They Put Clothes On Us . Cotton And Rubber . Every Shoe Has Rubber - These Cuts The Flow Of Energy/Electricity Between Us & Earth . Now You Can See Why Enlightened People Wear Less Clothes , You See Why Copper Is More Important Than Diamonds .

The History That Spreads The Truth To The World About Electricity Is Erased , What We Are Left With Is Them Saying Our Own Was Picking Cotton In Those Fields Day In And Out . The Main Point Of Slavery Was To Cut The Connection Of Our Energy/Power With Earth . They Cut Down The Big

Trees , Poison Of Waters And Food , Poison Of Weather ...etc ! The Main Point Of This War We Are In ( ENERGY WAR ) ...

So The Shift Has Started Because We Are Beings Of Light . Domestication Supresses The Belief In Self-Power . Domestication Cuts You From Using The Energy/Electricity That Earth Gives To Heal And Charge You . Stops You From Tapping From Within - Using The Quantum Energy .

If Nature Dies , They Have Killed The Server That Connects Us To Our Power .

### SOCIAL ARCHITECTURE & LEY LINES

\* Social Architecture : People Should Be A Heart Of Any Architectural Design Project - Understanding How People Think , Say And Enables Us To Envision

Better , More Holistic Solutions In The Buildings We Design . THIS IS WHAT GOOGLE SAID , Crazy . Since When You Need " How People Think " To Build A Skyscripper ? In All This They Need Social Enginnering To Get Their " Proper Design " ...

\* Social Enginneering : In The Context Of Information Security , Social Engineering Is The Psychological Manipulation Of People Into Performing Actions Or Divulgng Confidential Information .

SO THEY TRICK YOU TO BUILD SOMETHING ? LOL !

Most Cities Are Incrediable In Their Social Design But Everything Goes By Reason . In Futhermore It's All About How They Can Hide And Harvest The Energy . Hide It From Us , Harvest It For Their Own

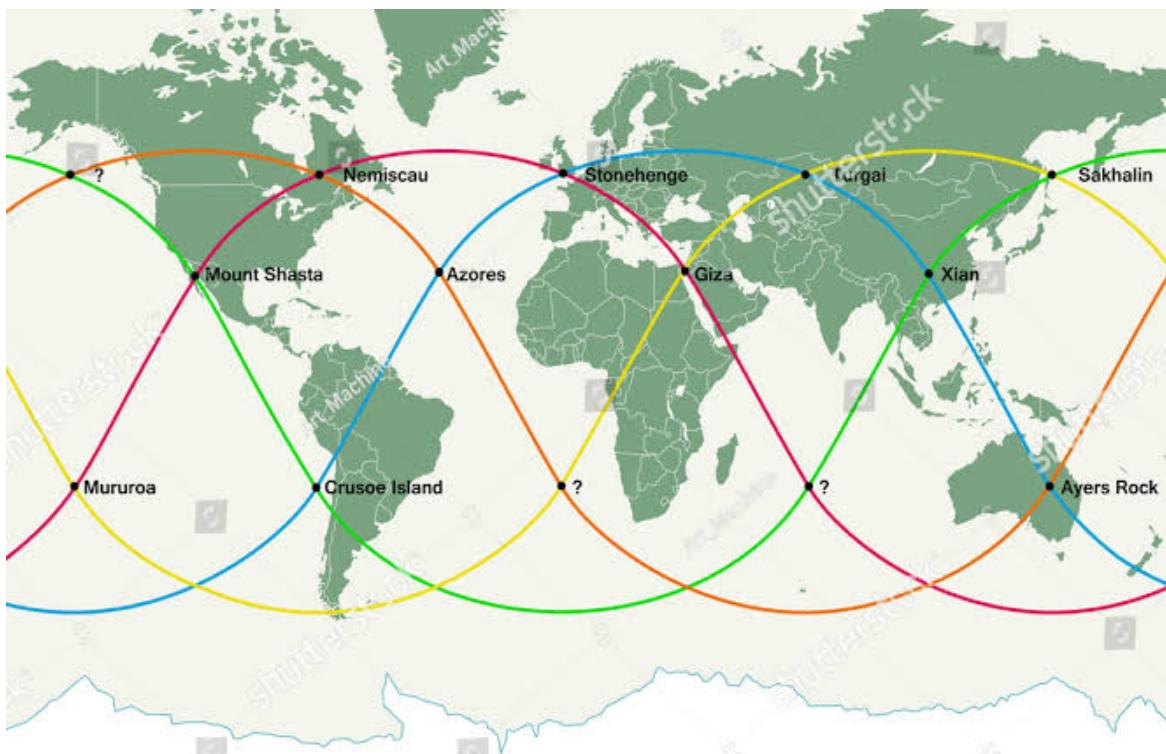

Agenda . Energy & Design . Those Skyscrippers ( Tall - Weird Buildings ) , Cities With Strange " Unique Streets " Like The Vatican City Square - Famous Attractions Is Every City That Is " Protected By The Government " , It's All Manipulation Of Space And Energy . Just Like The Computer Grid , Everything Is Place In Designed Way . How Wide The Streets Should Be , How Far The Buildings Should Be Between Themselves And Other Places . A Whole City Is By Design .

How Do They Hide The Energy ? They Build All Major Cities , Monuments , Famous Attractions Like 7 Wonders Of The World , Buildings Like The Twin Towers ( Where 9/11 Happened ) On Top Or Around The Main Point Of The Quantum Energetic Hubs/Points Along The 33rd Parallel .

So Many Buildings Have A Point At The End To Create a Vortex . Like The Eiffel Tower , Vortex Can

Push Out And Pull In Energy .

Ley Lines Are Veins Of Earth . Where The Quantum Energy Travels . It Has Points In It Where Energy It's At It's Highest Form .

This Is Just An Example Of How Ley Lines Look Like  
... The Interpretation Of Ley Lines & Points Is  
Correct But Still Far From Correct Because There  
Are Main Point On Earth Which The Quantum Energy

Is Very High , So This Only Shows Few . VERY Few . And Also Earth Veins Are Like Tree Roots , They Go Everywhere . Not These Sine Waves We See On This Picture . SO HOW DO THEY HAVERST THE POWER/ENERGY ?

## RITUALS

Ever Heard Of How They Manipulate Markets With Blood ? Rituals . At The Beginning Of The Year I Said CRYPTOCURRENCY IS GOING DOWN , Due To The Astrology These Elites Use . This Year It's Tiger's Year . 2023 Is Rabbit Year . It's A Circle . Shmitah Circle .

These People Are Caucasian Or The Children Of Zeus , They Only Have Spirits Not Souls . They Perform A lot Of Rituals To The Fallen Gods/Spirits They Pray To . Same Things As This Jesus Thing .

You See How Churches Are Built . " Catholic  
Churches " ... These People Need The Energy They  
Supressing Us From To Perform Their Rituals .  
Entertainment Industry Is Ruled By These People So  
It's Perfect Example .

They Performances Of Half Time Shows In Those  
Big Events , Mainly The Finals Of USA FOOTBALL .  
Rituals !

Blood Sacrifices Are Performed Or Committed On  
The City Of High Energy Hub . Because They Need  
Blood Energy To Do Rituals ( In The Spiritual World ,  
Negative Principles Require Blood , Life Force  
Transformed ) To Get What They Want .

All These Celebrities Are Sacrificed This 33rd  
Parallel Points From Blood Rituals . Micheal  
Jackson , 2Pac , Notorious B.I.G , Left Eye ... Many !

Sacrificed Where The Energy Is High .

END .
